ROBBED WHILE ASLEEP.

On the Charge of Robbing Henry Har-bor.

A peculiar sort of robbery was committed last Monday night at Adam Grube's brickvard on Limestone street just north of the corporation line. Henry Harbor lives in a little house at the brick-yard alone, and late Monday night Charles Wise and George Spears went to the house to stay all night. Harbor made no objections and the three finally retired. About one o'clock Wise awakened his two companions and told them excitedly that somebody had been in the house and robbed them.

The door was standing wide open, and

this seemed to confirm Wise's statement. danger of losing them in the near future, out to see if there was anybody in the vicinranning rapidly away from the place. The Mr. Knight says that the papers have three returned into the house to ascertain that entirely erroneous ideas concerning what they had lost. Harbor was but becold, disagreeable rain, without grip-sack, the sack having been cut open charged them with having committed the

A SPRINGFIELD WALK-OVER.

Recognized Headquarters for Fine Metal. Flattering Outlook for the Springfield Metallic Casket Co.

Although reterence has been made in thes columns heretofore to the rapid growth from its very beginning, of The Springfield NEW LINES BLACK AND COLORED SILKS Metallic Casket Co., the fact is not generally appreciated that the leation of such a concern as this is a matter of very considerable importance to our now widely known Cham pion City. The class of goods produced by this firm

people everywhere, and of all classes, are being educated in the matter of funeral supplies, as in every other article of needs such matters will be left entirely in the men
The
and suppositions, the demand for substantial metallic caskets on account of their ex--the people. The fact that the rem factured under letters patent, and vast im-provements have been made during the past known, to be far in advance, alike in design, construction, manufacture and convenience, of any before made, of which was soon convinced upon a slight insight to

the inside workings of the concern.

Of all the wholesale dealers in funeral supplies throughout the United States and Canada, fully four out of five have to date endorsed and now carry in stock the full line of Springfield metallics. Shipments are being made almost daily to all parts of America. It can be seen at a glance that the demand for these goods does not decreased knowledge of their merits. The foreign demand for metallic caskets is

employed on this work in Cleveland, and

Reception to be Given the New Paster To-niseral the First Lutheran Church. Roc. Dr. J. B. Helwig, paster of the First Lutheran church, arrived at 2 o'clock this moraing from Akron, accompanied by his wife and young daughter, Miss Grace, having now come to remain permanently. They effort this year in sehave temporarily taken up their reside at the Lagonda house, having as yet been lecting their immense unable to secure a suitable house. Tonight The Bushnell branch of the C. L. S. C. unable to secure a suitable house. Tonight held a meeting at the residence of Dr the members of the church and friends give stock of Fall and Wina reception to their new pastor and his famchurch, to which friends as well as mem bers are invited to come for the purpose forming or renewing acquaintances

Dr. Helwig and wife and daughter, connection that the Akron pulpit, just va filled by a former well known and honore Springfield pastor, Rev. M. J. Firey, no of Altoona, Pa. On Sunday, October 10th. Rev. Firey, will preach for the congregawhile in the west, next month

B. B. Goodin, a brakeman on the Chicago, St. Louis & Pittsburg, who formerly worked in the Bee Line yard in this city variety. Make your were being weighed at the yard scales, and able house where satthe grade, and they are stopped by the anteed fit is always brakes when they had gone to the proper place. Goodin was employed in coupling given. It will pay you the grade. It seems that the cars came too well to examine B., H. fast, and while he was setting a pin one of fast, and while he was setting a pin one of the cars crashed against the others and & Co.'s large selection
